INSURANCE CONDITIONS FOR THE INSURED

Art. 1. - OTHER INSURANCE

For the same risk you can be insured with different insurance companies.

If a Claim occurs, you must inform all the insurance companies with which you are insured on the same Risk and, among them, Europ Assistance, of the existence of other insurance companies that cover the same Risk. In this case, art. 1910 of the Civil Code.

Art. 1910 of the Italian Civil Code wants to avoid the case in which the Insured, who has several insurances for the same Risk with different companies, receives a total sum exceeding than the damage have suffered. For this reason, the Insured, in the event of a claim, must inform each company of all the insurances taken out with the others, for the same Risk.

Art. 2. - GOVERNING LAW AND JURISDICTION

The Conditions of Insurance are governed by Italian law.

For everything that is not provided for by the Conditions of Insurance and for all the rules of jurisdiction and/or competence of the judge, Italian law applies.

Art. 3. - TERMS OF PRESCRIPTION

Any of your rights against Europ Assistance are time-barred within two years from the day of the Claim. In civil liability insurance, the two years run from the day on which the injured person asked you for compensation or sued you to obtain it. In this case, art. 2952 of the Civil Code.

For covers other than Assistance in the event of the opening of the claim and pending legal proceedings, you are obliged to interrupt the statute of limitations in writing.

It should be noted that the pendency of judicial proceedings is not considered a cause for suspension of the statute of limitations.

Example: if the Insured reports a claim after the maximum term of two years established by the Civil Code, they will not be entitled to compensation.

Art. 4. - PAYMENT CURRENCY

PART II – INSURANCE TERMS AND CONDITIONS FOR THE INSURED Mod. TAD492/2

In Italy you receive the Compensation in Euros. If you claim Compensation for expenses incurred in countries that are not part of the European Union or belonging to the European Union, but which do not have Europ Assistance calculates the reimbursement by converting the amount of the expenses you have incurred into Euros. Europ Assistance calculates the compensation based on the value of the Euro in relation to the currency of the country in which you incurred the expenses on the day the invoice was issued.

Art. 5. - PROFESSIONAL SECRECY

You must release the doctors who have to examine your claim from professional secrecy towards Europ Assistance, for which they have to assess your state of health.

Art. 6. - PROCESSING OF PERSONAL DATA

When Europ Assistance provides you with the Covers, it may become aware of and use the personal data of other people. You need to let these people know the Data Processing Policy and get their written consent to the processing of their health-related data for insurance purposes. You can use the following consent form: "I have read the Data Processing Policy and I consent to the processing of my personal data relating to health necessary for the management of the policy by Europ Assistance Italia and the subjects indicated in the policy.
